

**Palestinian Youth Network (P.Y.N)
Second Annual Summit- Foundation Conference
November 2007, France**

The Palestinian Youth Network (P.Y.N) is pleased to announce its foundational international conference, which will be held in France from the 21st to the 30th of November.

Building on a truly global and ground-breaking organizing effort, the PYN is in the final stages of preparing for the arrival of Palestinian youths from Diaspora communities on all six continents. In addition to participants arriving from cities and villages across historic Palestine, including the 48 territories, West Bank and the Gaza Strip, Palestinian youths from the following countries have responded in strength in order to work together to have their voices heard and assert their collective identity: Argentina, Algeria, Australia, Brazil, Canada, Chile, Denmark, Holland, Egypt, France, Germany, Greece, Italy, Jordan, Kuwait, Lebanon, Mexico, Norway, Spain, Belgium, Sweden, Syria, UAE, UK, Saudi Arabia, USA, and Venezuela.

Within two weeks more than 100 youths will descend upon Paris to participate in what is shaping up to be an innovative and successful conference. The participants will spend 10 days of diverse activities such as: lectures, debates, workshops, working groups and cultural evening. This is an exciting step in the future of the Palestinian Youth Network project.
